DETAILED ACTION

Allowable Subject Matter

Claims 12-15 and 17 are allowed.

The following is an examiner's statement of reasons for allowance: the closest prior art of record, Hayata (5,726,739) and Maddox (4,095,881), do not teach or render obvious a second mirror located in the beam path of a second spectral portion that reflects the second spectral portion back to the first mirror as in claim 12. In addition, they do not teach using at least one part of the second spectral portion to adjust the lamp by reflecting the second spectral portion on a second mirror back in the direction toward the first mirror layer as in claim 14. Further, the arguments presented by the Applicants in the Amendment filed 3/08/04 are deemed persuasive. For example, see page 4, paragraph 6 to page 5, paragraph 1 and page 5, paragraph 6 - page 7, paragraph 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
